We have received more than 300 intentions to submit papers for the 2nd International Conference for Design Education Researchers in Oslo.

We welcome full paper contributions by **30 October 2012**

whether you have or have not submitted an abstract/ intention to submit a paper.

Conference theme:

Design Learning for Tomorrow

- Design Education from Kindergarten to PhD

We invite submissions along the following themes:

- Philosophy of design education
- Design curriculum
- Design knowledge
- Design education for non-designers
- Research informed designed education – Design education informing research
- Multidisciplinary design education
- Challenges in design education methods
- Assessment
- eLearning
- Internationalisation of design education

This is a general design education research conference and it is expected that a wide variety of work-in-progress or finalized research will be reported. However, irrespective of the range and stage of your research, the organizers expect the highest standards of scholarship in terms of establishing context, explicating the methods of inquiry, and reporting results that may aid other researchers and/or practitioners.

We especially welcome **early career researchers, PhD candidates and Master students** with work in progress. We are also seeking expression of interest to conduct **workshops and symposia**.
